Summary

Hey there! I'm Sneha, a coding enthusiast with a passion for web development and a knack for competitive programming. Currently navigating the exciting journey of learning and growth at IEST Shibpur in the vibrant city of Kolkata, West Bengal.

What Drives Me?

My love for coding goes beyond the screen – it's about crafting digital experiences and solving real-world challenges. Aspiring to dive deep into the world of web development, I'm on a mission to bring creativity and functionality together.

Where I'm At:

Fresher at IEST Shibpur, where I'm not just learning the ropes but tying them together to create something extraordinary.

Why Connect?

Let's chat about all things code, tech, and the endless possibilities they bring. Whether you're into web development, competitive programming, or just share the love for coding – let's connect, collaborate, and make the digital world a bit more exciting!

Connect with me:

Ready to embark on this coding adventure together? Let's connect and code our way to success!
